# INSTRUCTIONS FOR ACCESSING LOTTSA PARKING VALIDATION

NO APP, NO PAYMENT REQUIRED ● LOTTSA WILL COVER PARKING COSTS

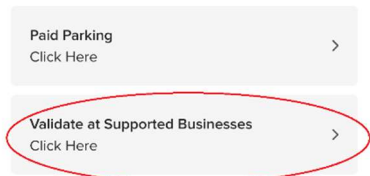

**While in the surface parking lot**, find the "PAY HERE" signs that include a QR Code

On your smart phone, open your camera and aim it at the QR Code. A link will appear on the image. **Tap the link.** (No need to take a picture.)

A window will open in the browser on your phone.   On the first screen tap on the option to **"Validate at Supported Businesses."**
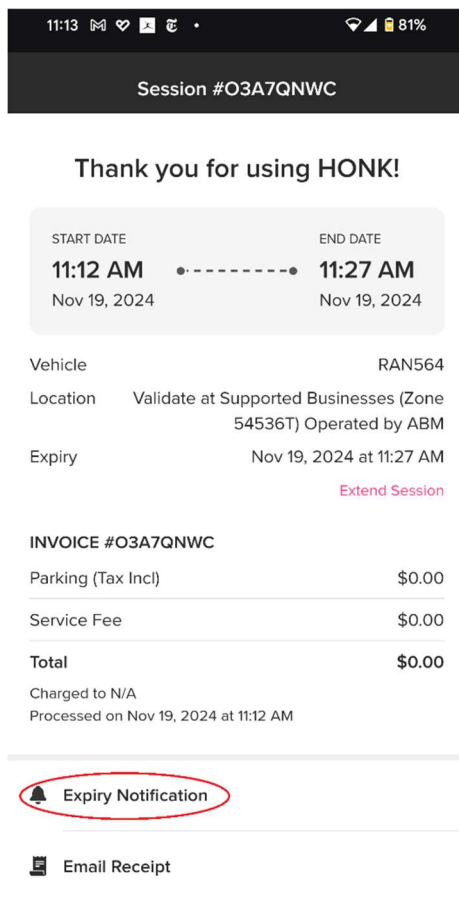

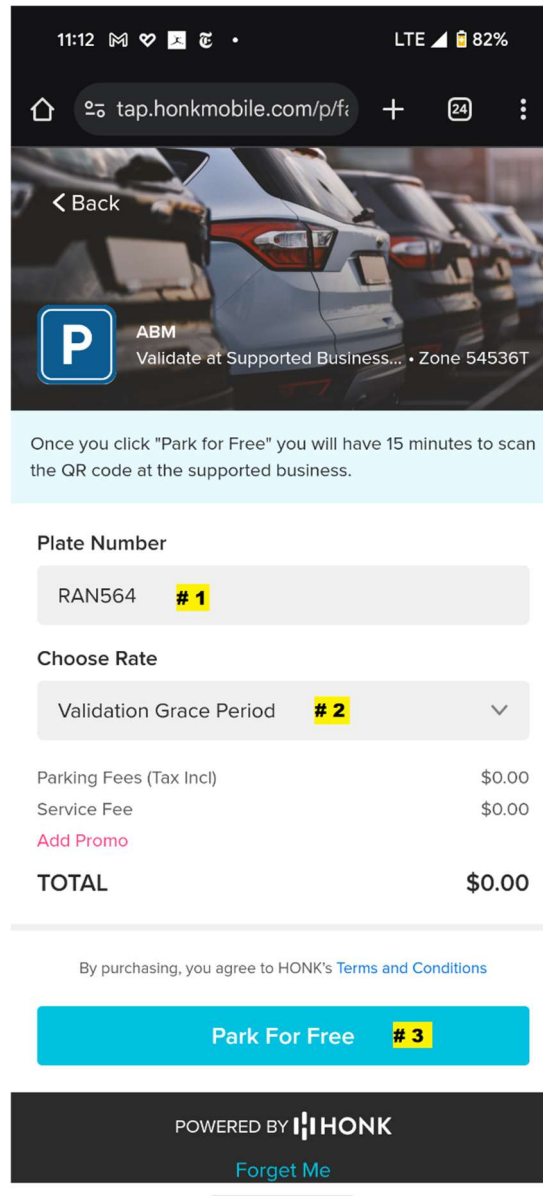

On the second screen

 # 1 enter your **license plate number,** so that the validation is associated with your car

 # 2 from the drop-down menu for "Choose Rate" select **"Validation Grace Period"**

 # 3 Then tap the blue "Park For Free" option at the bottom of the screen.

🔔 Expiry Notification

📋 Email Receipt

The next screen is a confirmation that you are authorized to park for a 15 minute window. (You will be offered a "receipt" if you provide an email. You can opt out by clicking the option "Not now")

If you want to receive notifications when your time is running out, touch the "Expiry Notification" option and follow the instructions.

When you are admitted into Lottsa's office by a staff member, let them know that you need parking validation.
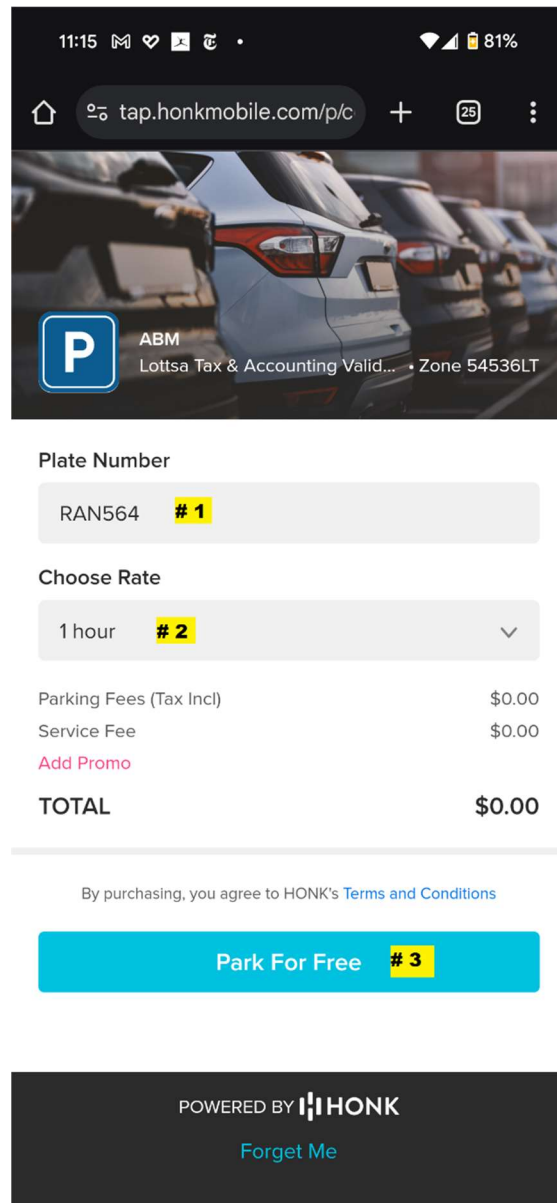

They will show you a different QR Code. Once again, aim your camera at the QR Code, and tap the link on the screen. A new browser window will pop up that

 # 1 confirms your license plate number and

 # 2 offers another drop down menu to choose the total amount of time that you need in the parking lot.

 # 3 Then tap the blue button at the bottom of the screen.

Your parking is validated!

Common Questions:

- *If I don't have a smart phone, or have difficulty with the parking lot QR code, what should I do?* Come straight to Lottsa, and we can help you with the entire transaction.

- *What if I need more time than I selected?*   We also have all QR codes at the office, so you can go through the process again to add another hour.
